

Assignment 2 Marking Guide: Performance Criteria (or grade/level) for Poster and Demo

6-7	5	4	0-3	
The poster contains all the key elements. It clearly summarizes key results and the recommended model in a mix of graphics and text. The demo shows the correct execution of the code and produces the correct output for all three models.	The poster contains the key elements. It summarizes key results and recommended models in a mix of graphics and text. The demo shows the execution of the code and produces the correct output for all three models.	The poster contains the key elements. It summarizes key results and recommended models. The demo shows the execution of the code, and the output is acceptable.	The poster does not contain key elements or does not include key results. The demo shows several errors or incorrect output.	marks /7
